PRESIDENT'S REPORT
RAJIN NANKU

FOR THE PERIOD DECEMBER 3RD, 2022 – DECEMBER 2, 2023

FELLOW MEMBERS, GUESTS, LADIES AND GENTLEMEN:

It is a great privilege and honor to present the President's 26th. Annual Report for The United Cricket Club. I must say we had a successful season. We have made quite an improvement compared to previous seasons. The club has enjoyed the benefit of some new players. Our squad played hard, stayed disciplined and brought the United Cricket Club to both Connecticut League Play-offs. What a great achievement.

The Club:

Besides League games, the United Cricket Club has played 4 special tournament games:

1. TUCC- NY Riders annual Friendly Trophy Tournament.
2. Waterbury Brass Series Tournament.
3. Family Lochand Tournament
4. TUCC- KINGSMEN XI TOURNAMENT

United CC won 3 of the tournament games. These were all 4 innings games that were very exciting to watch.

I am asking you, our members, fans and supporters to come out to enjoy and support your team. Your presence and support motivate and encourages our players to perform better. Together we can make it memorable.

Team Leader:

This year our team was led by two youngsters, Yash Chitale Captain and Ethan Nanku Vice Captain. I must report that these youngsters have done a tremendous job. Not everything was perfect, mistakes were made, but that is expected. They are young and mistakes are proof that they are trying, it allows them to learn new strategies or alter the ones that are already in place, and soon we will all be able to witness the beauty of their successes.

I want to thank all our senior players for lending these two youngsters their full support. One person in particular is Veerasammy Virappen for taking the youths under his wings to coach, teach and guide them. Veerasammy Virappen's leadership and expertise is greatly appreciated. Thank You Sunny!

Cricket Improvement:

The United Cricket Club has played a significant role in Youth Cricket Development in the United States.

During many Saturdays in the summer, we have had U-11, U-13, U-15 & U-17 youth from Connecticut, New York, Massachusetts and even Florida as well as other parts of the United States to City Mills for national tournaments. I want to thank Jay Singh, Gani & Rajeev for leading the Youth Development in the Northeast Region.
